

Thursday Open Thread...

Posted by [Prof. Goose](#) on February 2, 2006 - 9:21pm

Topic: [Miscellaneous](#)

Simply because it's just so thread-a-licious...

...but if you want a topic, how about this: "normative v. empirical, are they mutually exclusive?" (It just so happens this was one of the topics my grad students had to handle this week...but I would like to hear what you all think, especially with regard to the peak oil/energy framework.)
