[CNN's The Situation Room](#) anticipates airing a story about Congressman Roscoe Bartlett and peak oil in conjunction with releasing some results from a new poll about energy today at approximately 4:30 pm Eastern.

Update [2006-3-15 20:16:22 by Prof. Goose]:[Here's a .torrent of the video](#) (.torrent and .rm warning).

Update [2006-3-15 19:57:57 by Prof. Goose]:[Here's an .mp3 of today's segment](#) (audio only, .mp3 warning) with Rep. Bartlett.

Here's Congressman Bartlett's [one-hour Speech about peak oil](#) quoting from a [September 2005 Army Corps of Engineers report \(pdf warning\)](#) he requested recently and that was posted yesterday on his website. The report was marked "approved for public release distribution is unlimited". Congressman Bartlett also discusses a new energy initiative sponsored by the Department of Defense.

Here's a link to the [OilCrash movie site](#). Also, there was [this item](#) you may have missed from The Hill. (scroll to the Bartlett section...)
