Here's a [summary piece on the USAToday/CNN/Gallup oil/energy poll](#) that has some interesting, and shall we say somewhat contradictory results...

WASHINGTON (CNN) -- Although Americans don't believe the country faces an imminent energy crisis, most believe there are "major problems" --- from potential oil shortages to possible terrorist attacks -- and they are harshly critical of the leadership on the issue from the White House, according to a new CNN/USA Today/Gallup poll.
