Obviously, it's quite the buzz in the po-sphere that CERA has released its latest report (which we'd love to give you, but really can't as it is behind a paywall) and [press release](#) (original CERA link [here](#)). The [media coverage](#) is just beginning. Bartlett and Udall respond to CERA [here](#). **[Update by Prof. Goose on 11/14/06 at 10:54 PM EDT]** Here's [another "everything's ok" piece](#) (linked from Drudge).

We here at TOD will begin putting together responses over the next couple of days and weeks. However, obviously, from the emails I am getting in the TOD inbox, you all would like to talk about it too. Well, here you go.
