

Heinberg: How to Avoid Oil Wars, Terrorism, and Economic Collapse

Posted by [Yankee](#) on August 2, 2005 - 4:02pm

Any minute now I'm going to read [this essay](#) by [Richard Heinberg](#) called "How to Avoid Oil Wars, Terrorism, and Economic Collapse". [Liz at Sustenance](#) and [Jeff at Sustainablog](#) have already given it the thumbs up.

I could've waited to post until I have commentary, but I'm not sure when that's going to happen. Why don't you get started instead?
