

One other thing...

Posted by [Prof. Goose](#) on August 10, 2005 - 3:42pm

T. Boone Pickens was just on CNBC saying that he saw \$75/bbl soon. After today's \$65/bbl, that's not that shocking...but since he's been right so much of late, it's an important note.

(I see why they call blackberries "crackberries" by the way).
