

Friday Evening Reading

Posted by [Prof. Goose](#) on October 26, 2007 - 7:00pm

Topic: [Miscellaneous](#)

"Oil is running out." Damn, I hate that media framing--it's not productive. And the reporter is amateurish at best. But otherwise, this is an interesting video discussion of the EWG report and other angles of the oil story.

When you're done with that, then go check out:

- [TOD:Local's open thread for the weekend](#)--what have you done locally this week? what did you learn?
- [The Dangers of "Autobesity"](#)
- [The EU/ODAC Newsletter for 25 OCT.](#)
- [The Canadian Finance Round-Up for 23 OCT.](#)
- [The Aus/NZ Bullroarer for 26 OCT.](#)
