

## Update on the Chinese Situation

Posted by [Heading Out](#) on August 16, 2005 - 10:18am

The [situation in China](#) seems to be getting worse. The most comprehensive coverage appears to be from the South China Morning Post (SCMP) which requires a subscription, but which is abstracted at [Simonworld](#) (via [Econbrowser](#)).

HO Posting will now be somewhat lighter for parts of the next week, as I head out on travel.
