I'm off on holiday for the next 2 weeks, so The Bullroarer will be going on hold until I get back (unless Phil finds a spare moment and decides to put a post or two up).

We've had an encouraging first 2 months here at The Oil Drum (ANZ), with plenty of debate being sparked. I'd like to wish all of you a Happy Christmas / Holidays/ Hanukkah / Summer or Winter solstice or whatever name it is you give to the end of year holiday season, and I hope to see you back next year.

For those new to the site, here is a sample of some of the more popular posts on TOD/ANZ so far :
