---

The poster features a collage of images: an oil pumpjack, a gas station, and a traffic jam. At the top, the title 'Australia Pumping Empty' is written in large, bold, red letters, with 'The Looming Peak Oil Crisis' in yellow on a black background below it. Two men are shown in a video frame: Andrew McNamara, Queensland Minister for Sustainability, Climate Change & Innovation, and Ian Dunlop, Former International Oil, Gas & Coal Executive. The text on the poster provides details about the documentary, including the date, location, and cost.

**Australia Pumping Empty**  
**The Looming Peak Oil Crisis**

Andrew McNamara  
Queensland Minister for Sustainability,  
Climate Change & Innovation

Ian Dunlop  
Former International Oil,  
Gas & Coal Executive

This must-see documentary explores the real reasons behind rising energy, food and fuel prices. Featuring interviews with experts in a range of diverse fields from urban research to oil refining, they explain the implications of peak oil for Australia and the efforts that can be undertaken to reduce our oil dependence.
