Topic: [Site news](#)

This evening, Heading Out, under his second pseudonym of "Olly," was on BBC5 (I think his segment started at 9:20ishEDT) talking blogging and peak oil.

The show will be available TOMORROW on their podcast at: http://www.bbc.co.uk/radio/aod/networks/fivelive/aod.shtml?fivelive/pods_blogs

Update [2005-11-30 23:38:44 by Admin]: Just for archival purposes: Heading Out's appearance was discussed [here](#).
