This post was inspired by a post over at [Paul Kedrosky's place](#) entitled [Fun with Fuel Subsidies](#), in which he put up these two graphics and said "Discuss." Now I am doing the same here.

Two figures (via the Economist and FT, respectively, click graphics to go the stories--at FT click the "view map" in the graphic once you get there to see the interactive map that this picture was taken from) that show the world of fuel subsidies worldwide:
