Damn, I love the freaking internet. [Kerry Nettle, a senator in Oz, has caught Steve Forbes in a real pickle.](#) (A wonderful catch by <http://peakoil.com>)

Greens Senator Kerry Nettle today accused Steve Forbes, host of the CEO conference at the Opera House, of playing deceptive games with the Australian public over oil price claims.

Steve Forbes told the Prime Minister and media on Tuesday that oil prices will come back down to around \$35 a barrel within a year, and that high prices are a speculation 'bubble'. Overnight his investor newsletter has advised the opposite.
