A six minute presentation on gas prices, peak oil, Saudi Arabia, some footage of the UK's Rt Hon Gordon Brown MP, Chancellor to the Exchequer (can you tell I watch the PM's Question Hour on CSPAN? *laugh*...thanks fatbear...), and the like. The last half is an interview with Simmons, who is especially perky in this interview. Technorati Tags: [peak oil](#), [oil](#), [Katrina](#), [Hurricane Katrina](#), [gas prices](#)
