This may not be news to any of you, but I am just entering the world of podcasting...and I just find it to be the coolest thing.

Anyway, [Flying Talking Donkey](#) has put together [one of the \(if not "the"\) most comprehensive podcasting sites for peak oil talk and interviews](#) on the internet...very much worth checking out.

In addition, [Land of Black Gold](#) has linked to [another cool podcasting/resource site, www.oilcast.com](#).
