Jason Bradford (of [Willits Economic Localization](#) fame) has taken over as host of a show called *The Party's Over* on [KZYX](#), which is the public radio station in Mendocino County, California (where Willits is). Jason recently interviewed me on his show for an hour. We had a good talk, and then took various callers. Jason gave me an MP3 of the show, which I've placed on the Oil Drum.

Warning: it's a 25MB MP3 that runs for an hour. [Ok - I want to listen anyway.](#)
